

**StrongBox Legal** proprietary billing system delivers immediate value by enhancing legal practices' efficiency, which translates to being paid more, faster with less work! Getting paid and getting paid timely are the top challenges for attorneys in private practice. These problems are more critical for attorneys who practice as sole practitioners and in small to mid-size law offices because it takes staff and systems to attract clients and get paid. Clients who feel you have accommodated to their needs with a tailored billing plans often will refer new clients to you.

Founded in 2009, our platform works seamlessly with practice administrators to enhance the efficiency of billing and your office management. StrongBox Legal user collection rates are above the industry standards, revenue generation and realization are accelerated and days in accounts receivable are reduced, all yielding significant value to your practice. StrongBox Legal's dedicated experts understand practice administrators most time-consuming tasks, such as bill preparation, mailing bill follow-up, denial management, payment collection and more.

- Access to industry pioneer in payer and provider connectivity

## StrongBox Legal is Ready to Increase the Efficiency of Legal Practices

StrongBox Legal is an efficiency enhancement, bypassing the resource drain to print statements and stamp envelopes to be mailed. StrongBox Legal also greatly enhances the timing of payment (time value of money = a dollar today is worth more than a dollar tomorrow!). Our proprietary software also dramatically reduces the amount of uncollectible amounts owed to lawyers, estimated to be as high as 10% of gross revenue. The result is an improved, more profitable and efficient practice. Through an increase in efficiency and a decrease billing related work, your staff can focus on the more important aspects of running your practice.

StrongBox Legal is the solution to practice efficiency and revenue acceleration. The clients guarantee payment with a financial/payment instrument (credit card, ACH, etc) and sign authorization for payment of contractually obligated amounts. StrongBox Legal stores payment instrument in industry compliant fashion (PCI-DSS Level 1 certified) and our software seamlessly processes payments for clients' amount due based on billed hour data.
